

# Career Opportunities

## Site Traffic Management Supervisor

### About Us:

EA Networks is a cooperative network company based in Mid Canterbury. It owns and operates the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and its 130 staff have strong ties with the community that they work and live in. The core focus for EA Networks is maintaining a resilient electricity and fibre network while supporting the local economy and community. For more information about the company visit [www.eanetworks.co.nz](http://www.eanetworks.co.nz)

We have an exciting opportunity for a motivated and experienced STMS to join our team.

### On Offer:

We prioritise providing our people with the best possible experience. In addition to a great workplace environment, modern tools and fleet, and top-notch safety equipment, our employee benefits scheme includes the new Extraordinary benefits card. This card offers rewards and benefits to help cover life's costs and support personal wellbeing. We also offer competitive remuneration, (including overtime rates plus allowances), enhanced annual leave benefits alongside hybrid working options. We have an active Social Club with activities throughout the year, discounted gym/fitness centre memberships, an expansive break room and free on-site staff parking. You'll get to work with like-minded people who are passionate about keeping the lights and internet on throughout the Ashburton District.

Being a part of the Ashburton District means you're a part of strong supportive community with a great semi-rural lifestyle. With a variety of local dining and services, and excellent skiing, hunting, tramping and fishing spots nearby, you'll be spoiled for choice, and as it's only a 60-minute drive from Christchurch Airport, it doesn't take long to experience city life.

### Got what it takes?

You'll need to:

- Have proven STMS experience and current certification.
- Has a solid understanding of COPTTM, RCA-specific requirements, and the fundamentals of the Risk-Based Approach.
- Be prepared to get in and work as part of our team to get the job done.
- Have the ability to work in a variety of environments, primarily outdoors and in most weather conditions.
- Be a solid communicator and able to think on your feet to resolve traffic related challenges on site.
- Have a strong commitment to Health and Safety and take ownership for the safety of your workmates and the public.
- Be great with people and have an ability to build positive relationships.
- Have a full driver's license (ability to obtain Class 2 required).

### Join Us

To apply, please submit your CV and Cover Letter. Applicants must have the right to work in NZ. Pre-employment checks including a medical, drug and alcohol test and Ministry of Justice checks will apply. For further information please contact Simone Hopwood. Applications will be reviewed as they are received so apply without delay as the role may close earlier.
