Vegetation Access Coordinator

EA Networks is a locally owned cooperative network company based in Mid Canterbury. We own and operate the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and our 130 staff have strong ties to the local community that we work and live in. The core focus for EA Networks is on infrastructure investments that provide economic benefit to the region, maintaining a resilient electricity network and supporting the local community.

We have an exciting opportunity for a Vegetation Access Coordinator to join our team who will be responsible for monitoring and controlling vegetation that has potential to cause disruption to the network and coordinating third parties requesting access of EA Networks assets.

What does the role involve?

- Managing vegetation in line with EA Policies
- Facilitating Close Approach applications
- Promoting positive Health & Safety

Got what it takes?

- A qualification in contract management or relevant industry experience
- Knowledge and in-depth understanding of health and safety in vegetation operations
- Quality focussed with a high level of precision and attention to detail
- Excellent written verbal and interpersonal skills
- Class 1 Drivers licence.

We offer rewarding careers to talented individuals and a range of benefits, including the option of a shortened working fortnight of just 9 days meaning a long weekend every fortnight to enhance your work/life balance, an active Social Club with activities throughout the year, discounted gym/fitness centre memberships, an expansive breakroom, and on-site staff parking.
