Network Controller

About Us:

EA Networks is a locally owned cooperative network company based in Mid Canterbury. It owns and operates the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and its 130 staff, have strong ties to the local community that they work and live in. The core focus for EA Networks is on infrastructure investments that provide economic benefit to the region, maintaining a resilient electricity network and supporting the local community.

The Role:

Due to internal promotion we have a vacancy for a Network Controller in our team where you will help "keep the lights on" by providing 24/7 cover over our network and ensure the high quality performance of our real time assets. You will work in a small and close-knit team who are dedicated to the safety of our field teams and the networks we manage. The role involves the day-to-day coordination and monitoring of field activities in response to planned network outages, fault restoration and emergencies and as such involves engaging with the public, the business and contractors to ensure continuity of our network. This position offers the opportunity to become the Network Controller Subject Matter Expert on the OSII ADMS, assisting with the ongoing development of advanced applications and deployment into the Network Control Centre in this cutting edge area of network control technology.

Got what it takes?

- NZCE/NZDE/BEng or Registered Line Mechanic/Electrician or equivalent industry experience.
- Proven experience and proficiency with electrical network control, minimum of 3-5 years.
- Extensive electricity industry safety and compliance knowledge.
- Full Class 1 Drivers licence.
- Ability to keep calm under pressure and to make sound decisions.
- Proven ability to build relationships.

On Offer:

We offer competitive remuneration, a 9-day fortnight, an active Social Club with activities throughout the year, discounted gym/fitness centre memberships, an expansive break room and on-site staff parking. You'll get to work with like-minded people who are passionate about keeping the lights and internet on throughout the Ashburton District.

Being a part of the Ashburton District means you're a part of strong supportive community with a great semi-rural lifestyle. With a variety of local dining and services, and excellent skiing, hunting, tramping and fishing spots nearby, you'll be spoiled for choice, and as it's only a 60-minute drive from Christchurch Airport, it doesn't take long to experience city life.
