Distribution Management System Engineer

About Us:

EA Networks is a cooperative network company based in Ashburton, Mid Canterbury. It owns and operates the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and its 130 staff have strong ties with the community that they work and live in. The core focus for EA Networks is maintaining a resilient electricity and fibre network while supporting the local economy and community. For more information about the company visit www.eanetworks.co.nz

The Role:

Do you have a passion for configuring and maintaining a Distribution Management System (DMS) suite of products? Are you a qualified engineer with at least 2 years of proven experience in DMS/SCADA setup (Config – HMI and Backend) and Maintenance (support)? This may be the job for you! We have a rare but exciting permanent opportunity for a Distribution Management System Engineer to join our tight-knit Engineering team.

In this role you will primarily be responsible for configuring and maintaining our Distribution Management System (DMS) suite of products to a high standard with high availability. You will also be tasked with training and supporting users and operators of the system and resolving any issues.

Got what it takes?

- A relevant qualification, such as Bachelor of Engineering, Diploma of Engineering, Bachelor of Engineering Technology or equivalent
- Proven experience in DMS/SCADA set up (Config – HMI and backend) and Maintenance (support).
- Ability to problem solve and troubleshoot issues with a DMS.
- Experience with communication protocol such as TCP/IP, DNP/Serial, DNP/IP, and MODBUS.
- Solid understanding of a power distribution system is essential.
- Full Class 1 New Zealand Drivers Licence.

On Offer:

We offer competitive remuneration, an active Social Club with activities throughout the year, discounted gym/fitness centre membership, hybrid working and an expansive break room and on-site staff parking. You will get to collaborate with like-minded people who are passionate about keeping the lights and internet on throughout the Ashburton District. Being a part of the Ashburton District means you are a part of strong supportive community with a great semi-rural lifestyle. With a variety of local dining services, and excellent skiing, hunting, tramping and fishing spots nearby, you'll be spoiled for choice. As it's only a 60-minute drive from Christchurch Airport, it doesn't take long to experience city life.

Join Us:

To apply, please submit your CV and Cover Letter. Applicants must either have the right to work in New Zealand, or the desire and ability (with the appropriate qualifications) to apply for a work visa and relocate. We have pre-approved job tokens from Immigration NZ, which can be provided to the successful candidate if needed. Pre-employment checks including a medical, drug and alcohol test and Ministry of Justice checks will apply. For further information please contact Rhiannon Taufa on rtaufa@eanetworks.co.nz.
