

Career Opportunities

Labourer

About Us

EA Networks is a locally owned cooperative network company based in Mid Canterbury. We own and operate the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and our 130 staff, have strong ties to the local community that we work and live in. The core focus for EA Networks is on infrastructure investments that provide economic benefit to the region, maintaining a resilient electricity network and supporting the local community. More information is available on our website www.eanetworks.co.nz

About the role

We have an opening for a Labourer to join our Field Services team. This position will involve being out in the field, which includes rural and suburban properties, as part of a small team of 4-5 with the main responsibility being the installation of high-voltage and fibre cables. Driving a small truck will be required, so the ability to operate a manual vehicle is crucial. All of the work you perform will be done while promoting and practising positive health and safety.

Required Skills and Experience:

- Hold a current Class 1 & 2 driver's licence (or willing to attain Class 2 ASAP)
- Mechanically minded
- Capable of demanding physical work
- Be a team player with good communication skills
- A natural problem-solver
- Class 3 & 4 Licences/WTR F endorsements viewed favourably, although not essential

Join Us

A competitive hourly rate is on offer, as is the opportunity to work for a stable, trusted organisation. If you would like to pursue this exciting opportunity, please submit your CV and Covering Letter in confidence.

Please note

Applications for this position should have New Zealand residency or a valid New Zealand work visa. EA Networks is committed to a safe and healthy work environment. Successful candidates must be prepared to undergo a pre-employment medical, which includes a drug and alcohol test, as well as a Ministry of Justice check.
