

# Career Opportunities

## Labourer

We have an opening for a **Labourer** to join our Field Services team. This position will involve being out in the field and in the workshop with the main responsibility to assist the Earth Rig Operators.

### About Us

EA Networks is a locally owned cooperative network company based in Mid Canterbury. We own and operate the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and our 120 staff, have strong ties to the local community that we work and live in. The core focus for EA Networks is on infrastructure investments that provide economic benefit to the region, maintaining a resilient electricity network and supporting the local community. More information is available on our website [www.eanetworks.co.nz](http://www.eanetworks.co.nz)

### The Role

Ideally you will have the following attributes:

- Hold a current driver's licence with classes 1, 2, 3, 4 & 5
- WTR and F Endorsements or the ability to obtain
- Mechanically minded
- Not afraid of demanding physical work in the rural environment
- Above average problem-solving skills
- Excavator, Forklift and Hiab experience
- Ability to stick weld

### Apply

To apply, please submit your CV and Covering Letter in confidence. Applications close Friday 1 October 2021.

### Please note:

Applications for this position should have New Zealand residency or a valid New Zealand work visa. We also require all employees to complete a pre-employment medical check including drugs and alcohol testing and to complete a criminal history check with the Ministry of Justice.
