Contingent liabilities

The Commerce Commission is currently investigating two matters with respect to a revenue breach affecting the year ended 31 March 2020 and a non-compliance event affecting the year ended 31 March 2021. For each non-compliance matter the Commerce Commission has informed EA Networks that their enforcement response may include taking no action, issuing compliance advice, issuing a warning letter, an out of court-settlement, enforceable undertaking, or seeking pecuniary penalties through High Court proceeding. Currently we are unable to estimate what the potential liability (if any) will be regarding these two matters.

In our opinion, the accompanying summary financial statements are consistent, in all material respects, with the audited financial statements, in accordance with FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

Summary financial statements

The summary financial statements do not contain all the disclosures required by New Zealand equivalents to International Financial Reporting Standards (NZ IFRS). Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon. The summary financial statements and the audited financial statements do not reflect the effects of events that occurred subsequent to the date of our report on the audited financial statements.

The audited financial statements and our report thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated 30 June 2021.

The Directors are responsible for the summary annual report. Our opinion on the summary financial statements does not cover the other information included in the summary annual report and we do not express any form of assurance conclusion on the other information.

In connection with our audit of the summary financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the summary financial statements, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

The Directors are responsible, on behalf of the Company, for the preparation of the summary financial statements in accordance with FRS-43: Summary Financial Statements.

Auditor's responsibility

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (New Zealand) 810 (Revised), Engagements to Report on Summary Financial Statements. We are independent of the Company. Our firm carries out other services for the Company in the areas of compliance with regulatory requirements of the Commerce Act 1986 and the provision of regulatory and industry update advisory services. The provision of these other services has not impaired our independence as auditor of the Company.
