Site Traffic Management Supervisor

About Us:

EA Networks is a locally owned cooperative network company based in Mid Canterbury. It owns and operates the region's electricity distribution network, as well as an advanced fibre optic communications network. Being locally owned and operated means EA Networks and its 130 staff, have strong ties to the local community that they work and live in. The core focus for EA Networks is on infrastructure investments that provide economic benefit to the region, maintaining a resilient electricity network and supporting the local community.

We have an exciting opportunity for a motivated and experienced STMS to join our team.

On Offer:

We offer competitive remuneration, (including overtime rates plus allowances) a 9-day fortnight, an active Social Club with activities throughout the year, discounted gym/fitness centre memberships, an expansive break room and on-site staff parking. You'll get to work with like-minded people who are passionate about keeping the lights and internet on throughout the Ashburton District.

Being a part of the Ashburton District means you're a part of strong supportive community with a great semi-rural lifestyle. With a variety of local dining and services, and excellent skiing, hunting, tramping and fishing spots nearby, you'll be spoiled for choice, and as it's only a 60-minute drive from Christchurch Airport, it doesn't take long to experience city life.

Got what it takes?

You'll need to:

- Have proven STMS experience and current certification.
- Have a good understanding of the COPTTM and RCA specific variations.
- Be prepared to get in and work as part of our team to get the job done.
- Have the ability to work in a variety of environments, primarily outdoors and in most weather conditions.
- Be a solid communicator and able to think on your feet to resolve traffic related challenges on site.
- Have a strong commitment to Health and Safety and take ownership for the safety of your workmates and the public.
- Be great with people and have an ability to build positive relationships.
- Have a full driver's license (with Class 2 or the desire to obtain).
