

Career Opportunities

Listing:

Labourer

- *World class infrastructure platform.*
- *Help us keep the lights on and our community connected.*
- *Great opportunities to develop your skills.*

About EA Networks

At EA Networks, we are focussed on ensuring our community has access to world class, reliable and affordable network infrastructure. We are the trusted infrastructure platform that delivers electrical energy to every home and business in our region. We own and operate our region's electricity distribution network and fibre optic communications network, which we continuously invest in to ensure that we keep the lights on and the web connected.

About the role

We are looking for an energetic person to join our Field Services team as a Labourer. Your new role will vary from one day to the next and you will have the chance to work across most service areas we offer within our business including:

- Overhead Line Crews
- Underground Crews
- Earth Rig Operators
- Assisting with Traffic Control
- General yard duties

All the work you perform will be done while promoting and practising positive health and safety.
