About EA Networks

At EA Networks, our people are critical to ensuring we deliver our promise to keep the lights on and the web connected in Mid Canterbury. We are a stable, successful, industry-leading business which is currently looking for highly motivated people to join our innovative, friendly and dedicated team.

About the role

You will be an experienced and qualified Line Mechanic whose focus will be to install, repair and maintain the overhead electrical distribution within our network. All the work you perform will be done while promoting and practising positive health and safety.

Required Skills & Experience

- Class 1 drivers licence, additional licences would be an advantage.
- EWRB Distribution Line Mechanic registration and a current practising licence.
- Experience working on LV, 22, 33 and 66kV
- Live Line or Glove and Barrier experience would be great but not essential. • A team player and good communication skills.

Join Us

Competitive remuneration is on offer for this role, as is the opportunity to work for a trusted organisation at our modern, purpose-built business park premises. EA Networks has a strong focus on people, culture and a commitment to leading edge technology. If you would like to pursue the opportunity presented by this dynamic role, please submit your CV and Covering Letter in confidence.

Please note: Applicants for this role must be legally entitled to work in New Zealand and be available at short notice to attend an on-site interview at our office. For more information about the role and EA Networks, please visit eanetworks.co.nz.
