Line Mechanics

- *World class infrastructure platform.*
- *Help us keep the lights on and our community connected.*
- *Great opportunities to develop your skills.*

About EA Networks

At EA Networks, we are focussed on ensuring our community has access to world class, reliable and affordable network infrastructure. We are the trusted infrastructure platform that delivers electrical energy to every home and business in our region. We own and operate our region's electricity distribution network and fibre optic communications network, which we continuously invest in to ensure that we keep the lights on and the web connected.

About the role

You will be an experienced and qualified Line Mechanic whose focus will be to install, repair and maintain the overhead electrical distribution within our network.

All the work you perform will be done while promoting and practising positive health and safety.
